

Jon Ingham Strategic HR Academy - Study Groups

Each Academy programme consists of a course containing over 10 hours of content that is available for you to take at any time. However, each course can also be taken as part of a study group spanning over 2 months enabling you to learn alongside other HR practitioners.

Courses cost £298. Study groups and other social learning within the Academy are provided at no further charge.

Our recommendation is to buy and take a course when you want to learn and use the content, and then join the relevant study group when it runs as a means to reinforce and further develop your earlier learning from the course.

Here are dates of upcoming study groups...
